

The Founder of the School, Rev. Cecil Grant, created the Trust in his will for the benefit of all St George's pupils. The Trust is now a charity and has donated over **£2 million** to the school - a staggering amount. As a charity we can also claim Gift Aid. Hundreds of families generously contribute and we donate around £140,000 every year to the school for much needed everyday items, as well as supporting larger projects. **Our suggested donation is £15 by direct debit per month per child.** Small amounts make a big difference!
