

Trips Code of Conduct – Duke of Edinburgh

St George's School has the highest expectations regarding our students' behaviour and conduct and this is particularly important while on expeditions.

We ask, therefore, that you read this document carefully and sign the agreement at the bottom of the page if you feel that your son/daughter will meet our expectations. This should be a really positive experience and we are very confident of the students having a really good time, however the issues covered below are critical to this happening.

- I agree that my son/daughter will listen to and follow staff instructions (St George's staff and any instructors, guides, parent helpers etc).
- I agree that my son/daughter will behave in an appropriate manner and be respectful to all staff and students.
- I agree that my son/daughter will follow the requirements of the trips including being sensible whilst out and about on expedition and respecting any equipment borrowed from the school.
- I agree that my son/daughter will follow instructions on correct food and water consumption whilst on expedition.
- I agree that my son/daughter will not smoke, drink alcohol or take illegal drugs/substances whilst on expeditions.
- I agree that my son/daughter will be polite and courteous at all times.
- I agree that my son/daughter will make a particular effort to be friendly and inclusive to all students on the expedition.
- I agree that my son/daughter will at no point put others at risk.
- I agree that my son/daughter will observe the countryside code and will follow all safety briefings delivered through training; including traffic awareness, walking safely, camping and cooking procedures and dealing with injury and illness.

***I have read and understood the agreement above and I am confident that my son/daughter will behave in an appropriate manner throughout the trip.**
