

ST GEORGE'S SCHOOL

Miss Helen Barton MA
Headmistress

12th March 2021

Dear Year 12 Parents and Students

- 1. Year 12 Parents 18+ Information Webinar: Thursday, 25th March 2021 6.30 pm - 7.30 pm**
- 2. Preparation for Progression Post-18: Activities Week 28th June – 1st July 2021 (4 Days)**

We would like to invite you to an Information Evening for parents and students regarding Post-18 Progression.

The majority of our students apply for Higher Education courses but increasingly students are recognising alternative ways forward through school leaver programmes, (degree) apprenticeships, employment and/or gap year placements. We have held a series of online talks this term for the students to find out more about some of their options. This will be followed with a series of interactive booklets regarding the different Post-18 options, which will give a wealth of information regarding 18+ pathways and full guidance on all Post-18 applications. Parents and students will be given access to these following the 18+ Information Webinar.

For students considering university in the UK, the application process is done via UCAS and the application process begins in June 2021, with the intention of sending these to the universities by the end of October 2021. St George's encourages all students to complete a UCAS application in order to learn how to fill out such a form (including a personal statement).

Whilst we appreciate and understand that finding a work experience placement may not be possible for many of our students, we are still encouraging students to try and seek this opportunity, either in person, or virtually, and at this stage, we still plan to run this in Activities Week next term.

Students will be required to complete the Activities Week 2021 Planned Activities sheet (attached) next half term, so that we can record where all students are during this week, and who will be in School to work with Miss Morris and Mrs Turner. We will require this form by Friday, 28th May 2021. *If undertaking work experience, the student must ensure that they also complete and return a Sixth Form Work Experience Placement Form (attached) to Miss Morris no later than Friday, 18th June 2021. Also attached is the Sixth Form Work Experience Booklet for completion by the student and their work placement supervisor. This paperwork will also be available on the School Website (Pupils Area > For Sixth Form Students > Sixth Form Letters and Forms).*

The Webinar will start at 6:30 pm on Thursday, 25th March 2021. The joining details are below:

When: Mar 25, 2021 06:30 PM London
Topic: St George's School: 18+ Information Evening

Please click the link below to join the webinar:

Lastly, we have booked a Mastering the UCAT course for interested students, which takes place on the INSET Day, Friday, 2nd July 2021. We are also offering the Mastering the Law National Aptitude Test (LNAT) course on the same day. Interested students should speak to Miss Morris. Further details will follow about the courses and how to book a place.

Yours sincerely

A handwritten signature in dark ink, appearing to read 'Louise Morris', with a long horizontal flourish extending to the right.

Miss Louise Morris
Director of Sixth Form Education
